Optional: acciaio satinato
Top retrobanchi: in softstone laminate.
Optional: satin-finish steel

Tipo di pannello per lunghezza da 2000 a 4500
Type of panel for length 2000 to 4500

Tipo di pannello per lunghezza da 1000 a 1500
Type of panel for length 1000 to 1500

The image is an abstract composition featuring several overlapping panels with a dark brown, wavy wood-grain texture. The panels are set against a plain white background. In the upper left, a panel is partially visible. A larger panel in the center-left contains the text 'Shanghai city' in white. To the right, another panel extends vertically. At the bottom right, a small triangular piece of the wood-grain material is visible.
